Sir:

A Notice of Allowance was received for the above captioned application, with a mail date of August 19, 2005, which stated claims 1-23 were allowed. Applicant duly contacted the Examiner regarding the status of claim 24, which seemed inadvertently left out of the Notice. The Examiner agreed claim 24 was inadvertently left out, and a Corrected Notice of Allowance would be issued to include claim 24.

The Corrected Notice of Allowance was received for the above captioned application, with a mail date of September 15, 2005, 27 days after the original Notice of Allowance was issued. Applicant asserts this delay is not due to Applicant failing to engage in reasonable efforts to conclude prosecution of the application.

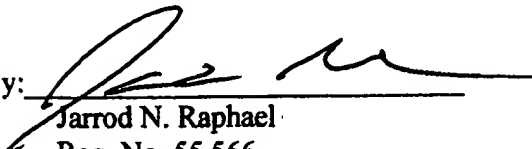

Accordingly, Applicant respectfully requests the Patent Term Adjustment be increased by an additional 27 days in addition to the previously determined 772 days, to a total adjustment of 799 days.

Additionally, Applicant respectfully requests the petition fee of \$130.00 be refunded and deposited in deposit account 08-2336.

The Commissioner is hereby authorized to charge or credit any deficiency or overpayment to deposit account 08-2336.
